Attention Exam Candidate:

This notice contains information in the event that winter weather occurs on a day when an exam is scheduled. Your safety and the safety of the board examiners and staff is a priority; therefore, the following winter weather policy will apply:

- ✓ If it is reported that state offices are on the "inclement weather policy," then the exams for that day will be cancelled.
- ✓ If it is reported that state offices are closed due to winter weather, then the exams for that day will be cancelled.

You may learn of the Governor's decision to institute the "inclement weather policy" or to close state offices by watching the local channels (i.e. KARK, KATV or KTHV).

Exams cancelled will be rescheduled as quickly as possible. The Board's office staff will contact you and your school to advise you of the new exam date and time.
